### Centri Kid in Review

We had a great time at Shocco Springs learning that a relationship with Jesus is the most important thing in life. All of us enjoyed the worship time with Jeff Slaughter and we witnessed God at work. A very special thank you to Ed Gardner and Ronnie Shields for helping me take 15 children to camp for a week. I can not wait until next summer!

### Playground Fundraiser

Our 4<sup>th</sup> July Arts and Crafts Festival was a great success! We raised \$2,316.00 for new playground equipment! This event would not have been possible without the hard work of Audine Padgett and Kay Jackson. **Thank You** ladies for giving of your time to help our children have a playground. I also want to thank the following: those who cooked the food and worked in the kitchen, those who brought baked goods and worked the bake sale, those who did face painting, the Men's Ministry for setting up the FLC, and those who volunteered as hosts. I would also like to thank the Flowood Fire Department, Flowood Police Department, Zaxby's, Thunder Vending and Dennis Brown for all their support and hard work. As always, Liberty exhibited the body of Christ working together!

As of July 8<sup>th</sup> we have raised \$4,218.72 for our new equipment. Thank you, church family, for giving to this ministry.

### Alaska Mission Trip Review

Our mission team of ten members just returned from Alaska and is still processing the work of the Salmon Frenzy in Kenai. We (along with 70 other volunteers) served over 2500 hot dogs, gave away hot cocoa, lemonade, Bibles, directed traffic, enrolled 163 children in the Kids Beach Club and witnessed to countless individuals about their personal walk with Jesus Christ. From talking to an atheist, or a backslidden Christian, or a vibrant believe, it is evident that such a beautiful state as Alaska needs a strong church to advance the gospel. Thank you very much for praying for us and for giving to this great mission effort. We were involved in sowing the seed. We must continue to pray for the harvest as the local churches in Kenai are now involved in this outreach effort.

Bro. John
