LIBERTY KIDS REGATHERING

OUR FOCUS IS TO KEEP EVERYONE SAFE

Because you CARE ABOUT OTHERS continue to follow the COVID-19 guidelines: Stay home if:

- You are sick and/or running a fever
- Your children are sick
- If you or someone in your home has tested positive for the virus
- If your immunity is compromised

SAFETY

Prior to any kid's ministry regathering, we have sanitized every surface in the rooms and cleaned all toys or items kids will come into contact with. In addition to cleaning the rooms prior to each meeting, we have continuing sanitizing standards in place as well. The children's areas are disinfected after each class by Staff and volunteers. While we realize that no public area is 100% sterile, we're taking every precaution and safety measure possible to ensure the safety of our kids.

NOT AVAILABLE:

- Water fountains
- Some hallways have been blocked off for sanitation purposes
- Babies/Infant Class. The nursing room will be open if you would like to take your baby in there for diaper changing, breastfeeding, or to rock them. We ask that you follow all sanitation guidelines posted if you use this room.

MINISTRY ROOM CLEANING DONE BY VOLUNTEERS:

- Sanitizer spray and wipes will be provided for each class.
- Wipe or spray down all tables, chairs, hard surfaces, and doorknobs.
- Sanitize all toys and craft equipment used, including scissors or glue sticks.
- Close classroom door upon exiting and place "This Room Has Been Sanitized" doorhanger on outside of door.
- Bathrooms will be sanitized after Sunday school and Extended Session. (Toilet handle, faucet knobs, doorknobs, and any other areas in the bathroom that will be regularly touched will be sanitized with spray or wipes).
